Heartiest greetings !

First of all, I wish to express our sincere thanks for sanctioning scholarship and uniforms for poor and needy children of our school during the last academic year and also for constructing an excellent noon-meal centre in our school. I sincerely hope and pray that you trust members will shower their benevolence to our children this year also, so that many more poor and needy children will become the beneficiaries of your kind and timely help.

Now I am submitting the list of 59 poor students who are seeking Scholarship from your trust to pay their school fees and buy books and uniforms. All the children are from economically backward area, as their parents are employed as daily wages (Coolie). Most of the students are rank holders and have secured above 80% in their X Standard Public Examination last year. Many of the children are either fatherless or motherless. Hence the scholarship now applied will help them to continue their education in their school and to come out in their life in flying colours.

Furthermore, the playground level of this school is very uneven and hence the students are unable to use the play area in a good manner. So, I request you to sanction funds for levelling the play ground of this school for the betterment of the playing children.

I wish to place another humble request before you. One of our student R. Mythili (X 'D') is wearing metal shoes due to polio attack. Since she is from a poor family. I request you to sanction funds for buying metal shoes every year for the benefit of the child.

Once again, I express my sincere and heartfelt thanks for all the service your trust have rendered for the benefit of the poor and downtrodden children of our school and I wish and pray the same will continue in the coming years also.

Thanking you,

Yours faithfully
