| | , Part II, Line 15 - In previous years we had chosen to file Part III of Schedule A. However we realize that we get most of our |
| | m the general public and not from related activities, so Part II is more appropriate. Additionally, the "significant contributor" |
| | is onerous as it involves 2% computation of our organization's contributions from inception; tracking contributors' aggregate, |
| | ion; and additionally eliminates larger contributors totally from public support percentage. The Part II computation of the 2% |
| | s a running 5 year computation, easier to manage, and large contributors do get partial credit for public support. So we are |
| electing to | file Part II. Since we filed Part III last year (2022), we used the public support percentage of 88% from Part III for 2022. |
